ORDER DENYING MOTION TO RESET TRIAL DATE AS UNNECESSARY

---

The parties in this case have filed a joint motion to reset the trial date. The parties also filed a joint motion to consolidate this case with several other related cases, for all pretrial proceedings, and a joint motion to continue the scheduling conference currently set for August 30, 2005.

The joint motion to reset the trial date is DENIED as unnecessary, as no official trial date has been set in this case. The set of instructions regarding the scheduling conference, which is attached to the Notice of Setting, specifically states that the trial date contained therein is "tentative only and may be changed by the scheduling order." The case will not be placed on the Court's trial calendar until a scheduling order is actually issued.

IT IS SO ORDERED.
